HOW WE MAY USE AND DISCLOSE MEDICAL INFORMATION ABOUT YOU. The following categories describe different ways that we use and disclose medical information. “Use” is what we do with your information in this office. “Disclose” means sharing your information with others outside this office. All of the ways we are permitted to use and disclose information will fall within one of the categories.

This also allows us to leave appointment reminders and messages with limited information on your voicemail and answering machine.
- **Incidental Use.** Although we try to limit communications of your medical information to the minimum necessary, we can disclose information that is incidental to an otherwise permissible use.
- **Valid Authorization.** We may disclose your medical information pursuant to your written authorization. For authorization to be valid, you must sign a form containing certain statements.

YOUR RIGHTS REGARDING MEDICAL INFORMATION ABOUT YOU. You have the following rights regarding medical information we maintain about you:

- **Right to Inspect and Copy.** You have the right to inspect and copy medical information that may be used to make decisions about your care. Usually, this includes prescriptions and billing records. To inspect and copy medical information that may be used to make decisions about you, you may be required to submit your request in writing to the Privacy Officer. If you request a copy of the information, we may charge a fee for the costs of copying, mailing or other supplies associated with your request. We may deny your request to inspect and copy in certain very limited circumstances. If you are denied access to medical information, you may request that the denial be reviewed. We will select a licensed health care professional to review your request and the denial. The person conducting the review will not be the person who denied your request. We will comply with the outcome of the review.

You have the right to request an amendment for as long as the information is kept by or for this office. To request an amendment, complete and submit an AMENDMENT REQUEST form to the Privacy Officer. We may deny your request for an amendment if it is not in writing or does not include a reason to support the request. Your request should indicate in what form you want the list (for example, on paper, electronically). The first list you request within a 12-month period will be free. For additional lists, we may charge you for the costs of providing the list. We will notify you of the cost involved and you may choose to withdraw or modify your request at the time before any costs are incurred.
- **Right to Request Restrictions.** You have the right to request a restriction or limitation on the medical information we use or disclose about you for treatment, payment or health care operations. You also have the right to request a limit on the medical information we disclose about you to someone who is involved in your care or the payment for your care, like a family member or friend. **We are not required to agree to your request** unless (1) the disclosure is for the purposes of carrying out payment or healthcare operations, and (2) the protected health information pertains to an item or service which you, or another person other than your health insurance, have paid for in full. If we do agree, we will comply with your request unless the information is needed to provide you emergency treatment. To request restrictions, you may complete and submit the REQUEST FOR LIMITATION AND RESTRICTION OF PROTECTED HEALTH INFORMATION to the Privacy Officer. We will not ask you the reason for your request. Your request must specify how or where you wish to be contacted.
- **Right to Request Confidential Communications.** You have the right to request that we communicate with you about medical matters in a certain way or at a certain location. To request confidential communications, you may complete and submit the PATIENT'S REQUEST TO LIMIT CONFIDENTIAL COMMUNICATIONS to the Privacy Officer. We will not ask you the reason for your request. Your request must specify how or where you wish to be contacted.
- **Right to a Paper Copy of This Notice.** You have the right to a paper copy of this notice. You may ask us to give you a copy of this notice at any time. Even if you have agreed to receive this notice electronically, you are still entitled to a paper copy of this notice. To obtain a paper copy of this notice, contact the Privacy Officer.
- **Right to Receive Notice of Breach.** You will receive notification of breaches of your unsecured protected health information unless we determine there is a low probability your PHI was compromised.
